

## Quality Policy Statement

QMS/Doc - 02

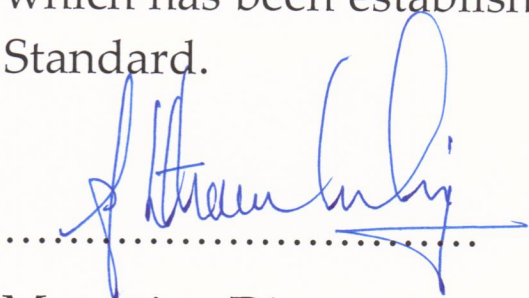

We are committed to deliver an excellent and creative landscaping service as well as to provide high quality plants to all of our customers, understanding their needs and building long-term partnerships based on trust.

This will be achieved by ensuring the usage of the most appropriate technology, very well trained personnel, quality raw materials and well maintained equipment.

All activities will be initiated after thorough planning and risk assessment and taking actions to control all possible risks of each and every process within the activity.

We always obey to comply with all legal, statutory and regulatory requirements.

We are fully committed to maintain and continually improve our Quality Management System which has been established complying with ISO 9001:2015 Standard.
